**Consultation questions**

Do you agree with the analysis and the costs accompanying the options set out in the Impact Assessment?

Yes .....       Mostly .....

To some extent.....       No .....

Comments

Which of the proposed implementation options do you support on the enforcement of the NCP?

**Option 1:** Do nothing – enforce under existing legislation and administrative measures.....

**Option 2:** Introduce a system of variable monetary penalties with the possibility of a criminal offence penalty.....

**Option 3:** Criminal offence penalty but no monetary penalties .....

Comments

Have any practical enforcement options been left out? What are they?

Do you agree that the benefits of the options are equivalent?

Any other comments

Do you believe there are ways in which government can encourage compliance with the NCP which we have not considered?

Any other comments
