Routes may change and new ones may be added. See the PETS website or ring the Helpline 0870 241 1710 for the latest information. Some routes are seasonal or irregular so check availability and all your other proposed travel arrangements with the transport company before booking your journey to the UK. Check the costs, requirements and procedures. Companies may have their own additional conditions of travel.

Please note that all carriers listed below are approved to transport dogs and cats into the UK airport(s) shown in the relevant 'To' column, from any country. You will need to check with your chosen carrier that they are able to transport your pet from a specific airport.
