RDPE 5-4	Take forward the communication strategy	RDPE Team	Progressing as part of the RDPE communications strategy
RDPE 5-5	PMC members requested that consideration be given to a meeting held in the regions to give the opportunity to view and investigate RDPE supported activities	RDPE Team	Dougal Driver of the Government Office for the South East has agreed to find a venue in his region for the PMC's November meeting and coordinate a visit to RDPE funded project's for Committee members. <i>(One suggestion that has been made is to visit the RDPE Project at the Godington House Charitable Trust. The estate has mixed farming and forestry. An RDPE project involved the replacement of existing boilers with a biomass (woodchip) boiler to heat the house, greenhouse, seven dwellings and associated buildings. The woodfuel boiler will enable improved productivity of from under-managed woods owned by the Trust.)</i>
